## Declaration of Suitability to Work with Children

Employee/post:

DoB:

I hereby declare that there is no legal reason why I should not be employed (F/t or p/t) in a position that involves working with children, in a teaching, pastoral, instructional or supervisory capacity. I declare that I am not listed on the Sex Offenders Register or have ever been charged with an offence which, if found guilty, would deem me to be an unsatisfactory candidate for any post involving the care of children. I would like to offer the additional information below, ie previous convictions, which I feel a prospective employer should have knowledge of, given the responsibilities of the role, ie driving minibuses with children on board, being responsible for valuables and children's pocket money and handling petty cash etc.
